Gawad Kalinga Community Development Foundation, Inc.

PRIVACY STATEMENT

Effective Date: May 1, 2020

OVERVIEW

This Privacy Statement covers the manner in which Gawad Kalinga collects, stores and processes your Personal Data when you visit and donate through the Gawad Kalinga (GK) Official website (www.gk1world.com). This Privacy Statement expounds GK's intent to respect and protect the privacy of the users at all times. Should you have any questions or clarifications, kindly contact us anytime at info@gawadkalinga.com.

PERSONAL INFORMATON THAT MAY BE COLLECTED

When you make a donation through our online credit card facility, we may require the following information: country, first name, last name, billing address, email address, amount and credit card details. Most of this information are required by the credit card companies for the online transaction to proceed.

The other information that we may collect are: Town/City, Zip Code, Telephone. However, these information are not required.

STORAGE, USE AND SHARING OF DATA

GK follows the provisions of Republic Act No. 10173, otherwise known as the Data Privacy Act of 2012. GK stores these data to comply with the legal and regulatory responsibilities of a registered corporate entity in the Philippines. Moreover, these data are essential in acknowledging and verifying each donation and to communicate directly with the donor on matters related to the donation. GK uses industry-standard software, technology, management and security protocols to protect the data collected.

The information that GK collects are essential in the monitoring and analysis of our donation campaigns which could help the company improve the facilitation of donations.

GK does not share personal information of the donors to any third-party unless otherwise required by law, regulation or legal process. GK adheres to the

COOKIE POLICY

The GK portal uses cookies and by accessing the portal, a group member consents to the use of cookies.

1. What are cookies? Cookies are small pieces of text files sent by a browser from a website visited by said browser. Cookies allow a website to recognize a browser. They also make the browser's next site visit easier and more useful.

2. How does GK use cookies? By using and accessing the GK portal, GK may place a number of cookie files in the viewer's web browser. GK uses cookies to enable certain functions of the website, provide analytics, store the browser's preferences, and allow advertisements delivery, including behavioral advertising.

3. What about third-party cookies? GK may also use various third-parties' cookies to report usage statistics, deliver advertisements, and so on. These cookies from GK's partners are anonymous, do not store personally identifiable information, and store only user behavior on the GK portal.
Please note that when the browser deletes cookies or refuses to accept them, the browser might not be able to use all of the features the GK portal offers, and the browser may not be able to store his/her preferences, and some of the GK portal pages might not display properly.

4. Can I change my cookie settings? The GK portal uses cookie data to provide its browsers the best experience both within the website and via advertising materials. If a browser would like to delete cookies or instruct his/her web browser to delete or refuse cookies, resort may be made through the Help pages of the web browser.

Please note that when the browser deletes cookies or refuses to accept them, the browser might not be able to use all of the features the GK portal offers, and the browser may not be able to store his/her preferences, and some of the GK portal pages might not display properly.

MODIFICATION IN THE PRIVACY STATEMENT
GK reserves the right to modify the provisions of this Privacy Statement in response to changes in the business environment or in related laws.
